

## **Redwine Church Youth Program**

At Redwine, we believe in the power of educating our youth about Jesus and the importance of nurturing young minds. Our team of dedicated teachers are committed to providing a rich and engaging learning environment for all of the children.

We've divided our students into three groups: elementary, middle school, and high school. This allows us to tailor our Bible lessons and activities to suit the developmental needs and interests of each age group, ensuring that every student gets the most out of Redwine's Youth Program.

Our Youth Director, a retired teacher from the Hart County school system, brings a wealth of experience to our team. His background as a high school assistant basketball and football coach adds a unique dimension to our program, blending academics with athletics for a well-rounded educational experience. He is also a minister and you may find him filling in for our pastor, Dr. Baer when he is out of town.

At Redwine, safety is paramount. We ensure that everyone working with our students has undergone a thorough background check. This is just one of the many ways we strive to create a safe, supportive, and stimulating environment where your child can thrive. At Redwine, we believe in the power of christian education and the importance of nurturing young minds. Our team of dedicated teachers are committed to providing a rich and engaging learning environment for all of the children.

Looking for a fun and inspiring way for your child to spend their Wednesday evenings? Come join the Redwine Youth Group! We meet every Wednesday from 6 pm to 7 pm. It's not just about hanging out, we also learn and grow together. Each meeting, we dive into a Bible lesson that helps us understand the Bible and life a little better.

But it's not all serious! We love to mix things up with some exciting activities. Whether you're a pro at Basketball, a Pickle Ball enthusiast, or a Volleyball champ, we've got something for you. And for those days when we just want to chill, we kick back and enjoy a good movie together. So, why wait? Join us at the Redwine Youth Group. It's a great place to make friends, learn, and have a whole lot of fun.
