

Girls Camp this summer at Redwine Church, 3548 Redwine Church Rd., Canon, GA

Title of Camp: Fashioned to be His Princess

Most girls have fairy tale dreams. Dreams of being a Princess. They dream the King or someone they respect will notice them and see the beauty inside of them that maybe others are unable to see. We all desire to be special and recognized but unfortunately the world has a way of making us feel insignificant. It robs us of our rightful place as Children of the King of Kings.

Our camp will lead young girls toward their loving Heavenly Father, their creator and creator of the Universe. Through scripture, group discussions, crafts, music and movies each girl will come to know who they are - Royalty - Children of the King of Kings.

Boys Youth Program

Here at Redwine Church, we want to expand into the community as we begin a new journey as a church. Our collective idea is to build a church known as a spiritual community care center. We want to offer youth programs through adult discipleship and serve our community. We plan to grow our groups starting in April 2025, The plan is to begin with Wednesday night meetings at the church. The evening will include fun, food and a Bible lesson.
