Thank you for your interest in Redwine Church. We are a small church of approximately 50 current attendees. Since Covid the way people give and worship has changed. Redwine live streams their service on Facebook each Sunday. We are in the process of updating our live streaming system and we will have the ability to live stream on our Youtube channel as well as our Facebook Account. We are including a link on our website to include tithes. Tithes go to support our pastor, church literature, grounds upkeep, custodial service, utilities, and other normal upkeep. Our site is a secure site and we accept credit cards and debit cards. If you are not a friend on Facebook, send a request to: Redwine Church.

We are a 501c3 and your donation is tax deductible.
